Garden and Beach Weddings

At Perth Outdoor Wedding Ceremonies we understand that your wedding ceremony is as unique as you are.

This is why we offer flexibility in our product and service, allowing us to work with you to create your perfect outdoor wedding ceremony.

We offer a range of different options from the simplicity of our 'Bronze Package' through to our more elaborate 'Platinum Package'.

We also understand that everyone's budget is completely different, and have structured our wedding ceremony packages to meet all requirements. We service all the Perth Metro area, The South and Country WA. Additional travel costs may apply for The South and Country WA.

Our Bronze, Silver, Gold and Platinum Wedding Ceremony Packages can be supplied to you in a number of ways:

ALL INCLUSIVE CEREMONY PACKAGE

Your wedding ceremony planner will meet with you on site prior to your wedding day to discuss the way you would like it set up and go through all your equipment and decor options.

We will deliver, set up, and decorate your wedding ceremony and take everything away once your wedding ceremony has finished.

Your wedding Coordinator will welcome your guests, cue your music and ensure that everything runs smoothly and liaise with other service providers, such as your wedding celebrant, your wedding photographer and your wedding limousine company if necessary.

SET UP AND DELIVERY CEREMONY PACKAGE

We assist you in selecting a wedding ceremony package that suits your requirements.

We deliver, set up, decorate and then take everything away once your wedding ceremony has finished.

HIRE ONLY CEREMONY PACKAGE

You simply hire the wedding ceremony equipment yourselves

You can either collect and return the equipment yourselves, or we can deliver and collect for a charge.
